- What information do I need to register?

Resolution

To register to use the new FamilySearch, you will need the following information from your ward clerk:

- Membership number
- Confirmation date

After obtaining that information:

1. Go to new.familysearch.org.
2. Click **Register for the new FamilySearch.**
3. Enter your membership record number.
4. Enter your confirmation date.
5. Enter the security text displayed in the box Security text is not case sensitive.
6. Click **Continue.**
7. The next screen should display your full name and confirmation date. If they are correct, click **Yes, Continue.**
8. Read the Conditions of Use, and if you agree, click I Agree.
9. If needed, edit your address, and enter your e-mail address. (Be sure to use your own e-mail address.) Click **Continue.**
10. Enter the sign-in name you would like to use. (The sign-in name is *not* case sensitive but should not include any spaces or dashes) Click **Continue.**
11. Enter the password you would like to use. (The password is *not* case sensitive but requires one number.) Click **Continue.**
12. Choose and answer three questions that will be used to recover your password if you forget it. (The answer must be typed *exactly* as it was originally entered.) Click **Continue.**
13. Enter the name you would like to be identified by in the contact name field. Click **Continue.**
14. Select the contact information you would like others to be able to see when you make a contribution to the new FamilySearch. Click **Continue.**
15. Review your information for accuracy. If you would like to print a copy for your records, click **Print.** If you need to edit information, click Edit next to the information you would like to change. When you are finished, click **Done.**
